WESTCREEK METROPOLITAN DISTRICT NO. 2
2024 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS

Services Provided

The District was organized by Court Order dated January 9, 2007, to provide financing for the planning, design, acquisition, construction, installation, relocation, and redevelopment of all powers of a metropolitan district as described in Colorado statutes and the Colorado Constitution except for certain limitations which have been placed upon fire protection and television relay and translation within the District's Service Plan. The District was organized in conjunction with Westcreek Metropolitan District No. 1 (District No. 1) (collectively the "Districts"). The District's service area is located entirely within the Town of Parker in Douglas County, Colorado.

On November 7, 2006, District voters approved authorization to increase property tax up to \$100,000, annually, as necessary, to pay for the operations and maintenance expenditures of the District and \$1,000,000, annually for intergovernmental agreements. Debt authorization was approved in the amount of \$12,000,000 for the above listed facilities, \$2,000,000 for refunding debt, and \$2,000,000 for the cost of operating and maintaining the District's systems. Additionally, amounts were authorized for intergovernmental contracts of \$2,000,000. The election also provided for intergovernmental agreements as multi-fiscal year obligations and allows the District to retain all revenues without regard to the limitations contained in Article X, Section 20 of the Colorado constitution or any other law. Additionally, on November 4, 2008, a majority of the qualified electors of the District authorized the issuance of indebtedness in an amount not to exceed \$105,000,000. This includes an additional \$15,000,000 each for streets, parks and recreation, water facilities, sanitation systems, transportation systems, safety protection and operations and maintenance. Debt authorization was also increased \$15,000,000 for refunding debt as well as \$15,000,000 for intergovernmental agreements. However, within the service plan for the District, the total debt that the District is permitted to issue shall not exceed \$1,900,000. The service plan limits the mill levy to 50.000 mills less the number of mills necessary to pay operations and maintenance expenses and less the number of mills necessary to pay unlimited mill levy debt.

The District approved the first amendment to the service plan and the first amendment to the Intergovernmental Agreement with the Town of Parker on January 24, 2011. According to the amended service plan, the District will issue bonds to finance the infrastructure that will benefit both District No. 1 and the District, and District No. 1 will pledge the revenue derived from its debt service mill levy and other revenue sources to the District. The total aggregate principal amount of debt permitted between the Districts shall not exceed \$7,800,000. Additionally, the service plan amendment for the District states that for the portion of any aggregate District debt which exceeds 50% of the District's assessed valuation, the maximum debt mill levy for such portion of debt shall be 50 mills less the number of mills necessary to pay operations and maintenance expenses and less the number of mills necessary to pay unlimited mill levy debt subject to changes in the ratio of actual valuation to assessed valuation. The amendment also says that in no event shall any inclusions of property into or out of District No. 1 or the District result in the imposition of a maximum debt mill levy in excess of 35 mills on residential property and 50 mills on commercial property. With the exception of one parcel of land,

Services Provided – (Continued)

District No. 1 will be solely residential. The District will comprise the remainder of the development and will be solely commercial.

The District has no employees and all administrative functions are contracted.

The District prepares its budget on the modified accrual basis of accounting in accordance with the requirements of Colorado Revised Statutes C.R.S. 29-1-105 using its best estimates as of the date of the budget hearing. These estimates are based on expected conditions and its expected course of actions. The assumptions disclosed herein are those that the District believes are significant to the budget. There will usually be differences between the budget and actual results, because events and circumstances frequently do not occur as expected, and those differences may be material.

Revenues

Property Taxes

Property taxes are levied by the District's Board of Directors. The levy is based on assessed valuations determined by the County Assessor generally as of January 1 of each year. The levy is normally set by December 15 by certification to the County Commissioners to put the tax lien on the individual properties as of January 1 of the following year. The County Treasurer collects the determined taxes during the ensuing calendar year. The taxes are payable by April or, if in equal installments, at the taxpayer's election, in February and June. Delinquent taxpayers are notified in August and generally sales of the tax liens on delinquent properties are held in November or December. The County Treasurer remits the taxes collected monthly to the District.

The District is required to impose a Required Mill Levy of 40.000 mills for collection in 2024. Required Mill Levy means an ad valorem mill levy imposed upon all taxable property of the District each year in an amount to pay the principal, premium if any, and interest on the Bonds as the same become due and payable [and to make up and deficiencies in the Reserve Fund].

The calculation of the taxes levied is displayed on the Property Tax Summary page of the budget using the adopted mill levy imposed by the District.

SUMMARY OF SIGNIFICANT ASSUMPTIONS**

Debt and Leases

The District has outstanding the following bond issues:

Limited Tax General Obligation Bonds, Series 2019A. The District issued the Series 2019A Bonds on April 3, 2019, in the par amount of \$7,800,000. Proceeds from the sale of the Series 2019A Bonds were applied to: (a) pay for a portion of the costs of acquiring, constructing, and installing certain public improvements; (b) fund the Reserve Fund; (c) fund capitalized interest; and (d) pay the costs of issuance of the Series 2019A Bonds.

The Series 2019A Bonds bear interest at the rate of 5.375% and are payable semiannually on June 1 and December 1, commencing June 1, 2019. Annual mandatory sinking fund principal payments are due on December 1, beginning on December 1, 2024. The Series 2019A Bonds mature on December 1, 2048.

To the extent the principal of any Series 2019A Bond is not paid when due, such principal will remain outstanding until paid and continue to bear interest at the rate borne by the Series 2019A Bond, subject to discharge on December 1, 2060.

To the extent interest is not paid when due, such interest shall compound semiannually on each June 1 and December 1. The District shall not be obligated to pay more than the amount permitted by law and its electoral authorization in repayment of the Series 2019A Bonds.

Debt and Leases (Continued)

The Series 2019A Bonds are subject to redemption prior to maturity, at the option of the District, on June 1, 2024, and on any date thereafter, upon payment of par, accrued interest, and a redemption premium equal to a percentage of the principal amount so redeemed, as follows:

<u>Date of Redemption</u>	<u>Redemption Premium</u>
June 1, 2024, to May 31, 2025	3.00%
June 1, 2025, to May 31, 2026	2.00
June 1, 2026, to May 31, 2027	1.00
June 1, 2027, and thereafter	0.00

Pursuant to the Indenture, the District has covenanted to impose an ad valorem mill levy upon all taxable property of the District each year in an amount that maintains the Relative Required Mill Levy Ratio and that would generate Property Tax Revenues which, together with the Taxing District Senior Property Tax Revenues, will be sufficient to pay the principal of, premium if any, and interest on the Series 2019A Bonds (less any amounts on deposit in the Series 2019A Bond Fund and, solely to the extent provided in the Indenture, the Surplus Fund and the Reserve Fund) and to replenish the Reserve Fund to the Reserve Requirement, but not in excess of 50 mills (Adjusted) less the Administrative Expenses Deduction.

2024 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS

Debt and Leases (Continued)

For so long as the amount on deposit in the Surplus Fund is less than the Maximum Surplus Amount or any portion of the Surplus Fund is taken into account in determining the mill levy that would be sufficient to pay the principal of, premium if any, and interest on the Series 2019A Bonds, the District Required Mill Levy shall be equal to 40 mills (Adjusted), or such lesser amount that maintains the Relative Required Mill Levy Ratio which, if imposed by the District for collection in the succeeding calendar year, would, together with the Taxing District Senior Property Tax Revenues, generate Property Tax Revenues (A) sufficient to pay the principal of, premium if any, and interest on the Series 2019A Bonds, to replenish the Reserve Fund to the Reserve Requirement, and to fully fund the Surplus Fund to the Maximum Surplus Amount, or (B) which, when combined with the Taxing District Senior Property Tax Revenues and with moneys in the Bond Fund, the Surplus Fund, and the Reserve Fund, will pay the Series 2019A Bonds in full in the year such levy is collected.

Pursuant to a Senior Capital Pledge Agreement by and among the District, Westcreek District No. 1 (District No. 1 or the Taxing District), and the Trustee (the Senior Pledge Agreement), District No. 1 has covenanted to impose an ad valorem mill levy upon all taxable property of District No. 1 each year in an amount determined by the District that maintains the Relative Required Mill Levy Ratio and that would generate Taxing District Senior Property Tax Revenues, which, together with the District Property Tax Revenues, will be equal to the Annual

Financing Costs, but not in excess of 35 mills (Adjusted) less the Administrative Expenses Deduction.

For so long as the amount on deposit in the Surplus Fund is less than the Maximum Surplus Amount (or to the extent otherwise required by any Additional Senior Obligation document to fund Financing Costs) or any portion of the Surplus Fund is taken into account in determining the mill levy that would be sufficient to pay the principal of, premium if any, and interest on the Series 2019A Bonds, the Taxing District Senior Required Mill Levy shall be equal to 30 mills (Adjusted), or such lesser amount determined by the District that maintains the Relative Required Mill Levy Ratio, which together with the District Property Tax Revenue, would generate Taxing District Senior Property Tax Revenue sufficient (A) (i) to pay the principal of, premium if any, and interest on the Series 2019A Bonds and any Additional Senior Obligations, (ii) to replenish the Reserve Fund to the Reserve Requirement and to replenish any reserve fund securing Additional Senior Obligations to the amount required by the applicable Additional Senior Obligation Document, and (iii) to fully fund the Surplus Fund to the Maximum Surplus Amount and to fund any other surplus fund securing Additional Senior Obligations to the amount required by the applicable Additional Senior Obligation Document, or (B) when combined with moneys then on deposit in the Series 2019A Bond Fund, the Reserve Fund, and the Surplus Fund, and any similar funds available and securing Additional Senior Obligations in accordance with the applicable Additional Senior Obligation Document, will pay the Series 2019A Bonds and such Additional Senior Obligations in full in the year such mill levy is collected.

2024 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

Debt and Leases (Continued)

Pursuant to the Indenture, the Relative Required Mill Levy Ratio means the relationship of the District Required Mill Levy and the Taxing District Senior Required Mill Levy imposed by the District and the Taxing District, respectively, vis a vis each other represented by the imposition of 40 mills (Gallagher-Adjusted) by the District and 30 mills (Adjusted) by the Taxing District (i.e., a ratio of 40 (Adjusted as necessary for the District): 30 (Adjusted as necessary for the Taxing District)). As a result of the reduction in the residential assessment ratio for the 2017 mill levy year, the Relative Required Mill Levy Ratio, as adjusted pursuant to the definition of the Taxing District Senior Required Mill Levy, is 33.166 mills for the Taxing District and 40.000 mills for the District as of the date of issuance of the Series 2019A Bonds.

Principal and interest payments in 2024 are provided based on a proposed debt amortization schedule for the anticipated 2019A Bonds.

The District has no operating or capital leases.

Reserve Funds

Emergency Reserve

The District has provided for an Emergency Reserve equal to at least 3% of the fiscal year spending for 2024, defined under TABOR.

Debt Service Reserves

The District maintains a Debt Service Reserve as required with the issuance of the 2019A Bonds.

The District maintains a Debt Service Surplus fund with a maximum of \$780,000 as required with the issuance of the 2019A Bonds.

This information is an integral part of the accompanying budget.
